# OUR CAUSE Strengthening Community

At the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive. We believe that lasting personal and social change can come about only when we all work together to invest in our kids, our health, and our neighbors. That's why, **at the Y, strengthening community is our primary goal.**

## OUR AREAS OF FOCUS

### YOUTH DEVELOPMENT

We believe all kids deserve the opportunity to discover who they are and what they can achieve. Our goal is to help youth cultivate the values, skills and relationships that lead to positive behaviors, better health and education achievement.

### HEALTHY LIVING

In communities across the nation, the Y is a leading voice on health and well-being. With over 2600 locations nationwide, the Y is uniquely positioned to improve the nation's health and wellbeing, one individual, family and community at a time.

### SOCIAL RESPONSIBILITY

This is the essence of the Y. Keeping our doors open to all, responding to our community's most pressing social needs, giving back and providing support to our neighbors. The Y fosters the care and respect all people need and deserve.

## OUR MISSION

**The Rye YMCA is a family oriented community service organization which welcomes all people and promotes positive values through programs that build spirit, mind and body.**

# Dear Friends:

In July 2010, as part of Y-USA's nationwide rebranding launch, the Rye Y began to change the way the Y presents itself to the public. A new logo was introduced reflecting the forward-looking vibrancy and diversity of the Y movement. We also began to change the way we talk about ourselves, placing a greater emphasis on the Y's role as an enduring force for change in people's lives.

However different the Y may look and sound, our mission and values remain intact. We will continue our focus on youth development, healthy living for all and social responsibility. And we remain guided by the same values: caring, honesty, respect and responsibility. We are proud to be part of such a caring organization, which strives everyday to bring its cause to life with a firm commitment to strengthening community.

The year 2010 was a solid one for the Rye Y. Though the realities of the economy continued to linger, there were many uplifting moments that remind us of the Y's special role in our community.

- The generosity of members, volunteers and donors made it possible for the Y to award a record setting \$350,000 in financial assistance, allowing hundreds of children and families to attend the Y and summer camp.
- The Strong Kids Campaign also set a new high, raising \$229,000 under the leadership of Campaign Chair, Mark Miller.
- For the 5th year in a row, the Rye Y achieved an excellence rating from members, placing us in the top 10% of all surveyed Ys across the nation.
- Unique outreach initiatives such as the Complete Streets collaboration with NYU Capstone continue to expand the reach and impact of the Y as it strives to prevent chronic disease and develop healthier communities.

We are proud of these accomplishments, and as we set out to achieve new objectives in 2011, we remain guided by the ongoing needs of the community and the cause-driven focus of the Rye Y. Thank you for your continued generosity and support of the Rye YMCA.

Yours truly,

**Gregg R. Howells**

# **YOUTH DEVELOPMENT:** **We nurture the potential of every child and teen.**

# YOUTH DEVELOPMENT

**We believe all kids deserve the opportunity to discover who they are and what they can achieve.** Our goal is to help youth cultivate the values, skills and relationships that lead to positive behaviors, better health and education achievement.

In 2010, we helped youth unlock their potential in a variety of ways:

- Introduced a comprehensive menu of “After the Bell” activities for teens, providing a safe and fun gathering place for teens after school and on weekends. Hosted over 800 visits to the Y’s Teen Center.
- Provided over 3000 camper sessions and built confidence in the more than 1200 children who attended our summer camp program
- Conducted Safe Routes to School poster contest at Hommocks Middle School and Rye High School, with over 50 students participating in a campaign awareness initiative about distracted driving and walking.
- Launched first March Madness 3 on 3 basketball tournament featuring over 100 young basketball champions in the making, who also gave generously to Strong Kids.
- Attended Teen Rally at Camp Greenkill where teens learned leadership and character building through teamwork and anti-bullying workshops.
- Teen Café program at Mamaroneck High School provided a healthy social and recreational alternative for hundreds of teens 8 months of the year.
- Hundreds of boys and girls enjoyed our gymnastics program, along with almost 200 youth in our youth basketball league.
- The Rye Y provided families with a safe, nurturing environment for their children in our licensed after school program. Hundreds of parents and children rely on the Y for a safe place to land during these difficult economic times.

**Thank you for all that you do for us. We are very happy learning to swim and we could not do it without your help. My sister (6) cannot write yet, but she also wants to say thank you!**  
– Anna, age 9

Swimming at the Rye Y keeps me mobile and has made a big difference in my life. I'm very thankful.  
– Long time Rye Y member

# HEALTHY LIVING:

**We improve the nation's health and well-being.**

# HEALTHY LIVING

**In communities across the nation, the Y is a leading voice on health and well-being.** With a mission centered on balance, the Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests.

## Our 2010 accomplishments:

- For the 5th year in a row, we achieved an excellence rating from members that places the Rye Y in the top 10% of surveyed Ys across the country.
- Launched “health seeker” initiatives designed for members who need additional guidance, support and motivation to achieve fitness goals. Programs include small group exercise, Group Active, Biggest Mover, Weight is Over, Healthy Lifestyles, First Steps and the Stanford Health and Lifestyle Assessment.
- Conducted first ever staff and family health fair, providing an opportunity to rejuvenate the Y Family with fun activities, spirited competition, and various wellness offerings.
- Re-vamped Fitness Annex, providing new exercise opportunities for members. Visits to the “Zone” have doubled.
- Created small group gathering spaces within the Y to build connections between members as a way to foster individual spirit/mind wellbeing. Fully re-designed Member Lounge includes conversational seating, tables and welcoming environment for all ages.
- Provided swim lessons to thousands of children and adults every nine weeks, a confidence building skill that lasts a lifetime.
- Family special events such as our Halloween and Holiday parties, special concerts and family dinners continue to strengthen family ties in fun, active and healthy ways.

**Many thanks for the opportunity to include fitness in the re-building of a fragmented life.**  
– Gratefully, a longtime Rye Resident

# **SOCIAL RESPONSIBILITY:** **Giving back and providing support to our neighbors.**

# SOCIAL RESPONSIBILITY

The Rye Y has been listening and responding to our communities' needs for close to 100 years. We are committed to preventing chronic disease, building healthier communities, lending a helping hand to families in need, and supporting outreach initiatives throughout the community. We foster the care and respect all people need and deserve.

The generosity of donors, volunteers and fundraising events helped us to make a difference in people's lives in 2010:

- Awarded financial assistance totaling \$350,000, ensuring the availability of the Y's programs and services to those most in need.
- Re-vamped Strong Kids annual fundraising campaign in response to growing community need. Raised \$275,000, a record setting amount for the Rye Y.
- Provided \$274,000 in program subsidies to allow important services such as the Teen Center and pool time for the Rye Handicapped Association to continue to remain open and accessible.
- Healthier communities outreach initiatives allow us to further expand the Y's mission beyond our four walls. Includes Safe Routes to School, edible gardens, school recess program, and community forums.
- Water safety continues to be at the core of our aquatics program. Lifeguarding and American Red Cross classes provide lifelong safety skills that build confidence both in the water and out.

- Launched a complete streets initiative with NYU's Wagner School of Public Service. Conducted complete streets workshop in Fall 2010 with Westchester County DOT and Alta Planning & Design.

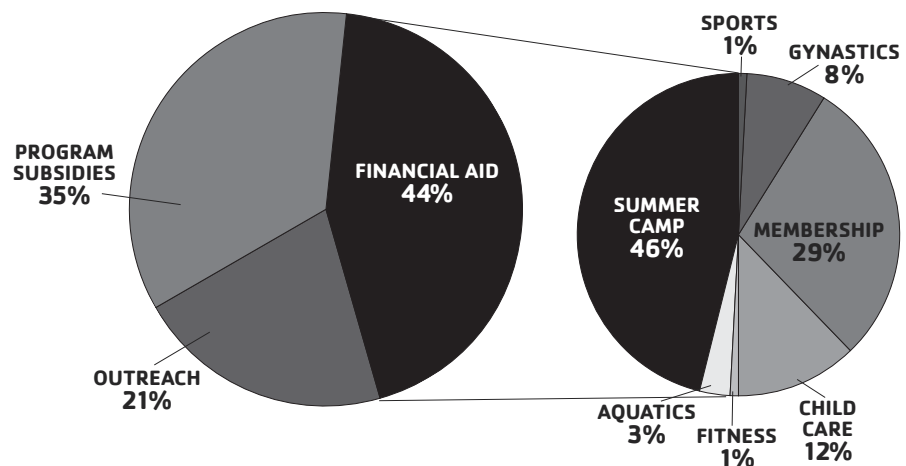

## Our Impact

### A MOM'S DREAM

I am a hardworking mother who tries to raise my child with values and a good attitude towards life. She needs to be responsible for wherever she is in her life and appreciate assistance when it's provided, like the Y's help! **I have always dreamed all the best for my child.** Thank God I found the right place and the right people who help families who want to be better. Thank you for making the difference in my family.
