MUSIC

ENRICHMENT

MOVEMENT

SWIMMING

SPORTS

ART

COOKING

OUR PROGRAM

The Rye Y launched a new Pre-School Enrichment Program in September 2018. Participants may choose between a morning or afternoon program. The program is for children 3-5 years old. All participants must be potty trained. Weekly activities include swimming, arts and enrichment, sports, yoga, literacy activities, cooking and more!

We offer transportation to the local Nursery Schools (CCNS & RPNS). Participants not being bussed will be picked up/dropped off by parent or guardian at the Rye YMCA.

OUR STAFF

Rye Y staff are selected for their strong character, maturity, enthusiasm and commitment to the Y values of caring, honesty, respect and responsibility. Staff are First Aid and CPR certified and undergo a rigorous hiring process including multiple references and a background check. Upon hire, all staff must complete several child abuse and safety trainings. Safety is our first priority.

STAFF TO CHILD RATIO: 1 staff to every 4 children (3-5 year olds)
