

CELEBRATING OUR SENIORS

Each time you check in at the Member Service desk, you will be entered into a raffle to **win a free month off of your membership**. Increase your chances of winning by attending any of the special events we have planned for Active Older Adults month.

You've got to be in it to win it! Schedule of events posted through the Y and copies are available at the Member Service Desk. So be active at the Rye YMCA throughout May and maybe you will be the lucky winner on June 1!
